ID5 OFFICES

Overview of Temporary Website

Management Policy for the ID5 Temporary Website

- The temporary website will be used until the launching of the official ID5 Website
- Discussions about Projects menu and Board menu operating among the Partners are to remain private.
- Partners have their own ID and should upload their contents or opinions respectively.
- Compiled information is saved, so that the other Partners can search them.
- KIPO may upload a Partners' file on the Board for such Partner at their request.
- KIPO intends to be responsible for making the structure, including design, of the homepage, as well as managing IDs and assisting help desk inquiries.

Thank You!!!
