Overall filing numbers						
	CNIPA	EUIPO	JPO	KIPO	USPTO	Definition
Number of applications for design registration or design patent	819,213	34,283	32,065	55,897	64,786	The number of design applications or design patent applications filed by applicants.
Note	[CNIPA] Not including the number of international design applications under the Geneva Act of the Hague Agreement which designated China and have been published by WIPO. [JPO] Including the number of international design applications under the Geneva Act of the Hague Agreement which designated Japan and have been published by WIPO. [KIPO] Including the number of international design applications under the Geneva Act of the Hague Agreement. A multiple application which allows to request for the registration of several designs within the same application will be counted as one. [USPTO] Includes CPAs and number of international design applications under the Geneva Act of the Hague Agreement which designated US.					
Number of filed designs	N/A	105,219	32,065	59,954	N/A	The number of designs contained in the applications filed under 1.1.1
Note	[JPO] Including the number of designs contained in the international design applications under the Geneva Act of the Hague Agreement which designated Japan and have been published by WIPO. [KIPO] Including the number of designs contained in the international design applications filed under the Geneva Act of the Hague Agreement. Industrial property statistics for 2019(KIPO).					
Number of Continuing Applications	N/A	N/A	542	105	1,249	Number of continuing applications (i.e. divisional, continuation, continuation-in-part applications)
Note	[JPO] The number of "divisional applications". [KIPO] The number of "divisional applications". Not including the number of international design applications under the Geneva Act of the Hague Agreement. [USPTO] includes CPAs.

2. STATISTICS ON PERFORMANCE

Time for first action							
	CNIPA	EUIPO	JPO	KIPO	USPTO	Definition	
Average time	N/A	2.2 w. days	6.1 months	4.6	16.0 months	Each office fills in their own way of how they count the "average time" in "Note".	
Note	[EUIPO] First action is when an examiner sends the first letter to the user other than the letters confirming receipt. If several letters are sent, only the first is counted. Saturday and Sundays are excluded. [JPO] Average time from the filing of an application to the dispatch of a first office action by an examiner(substantive examination). First office actions consist mainly of decisions to grant and notifications of reasons for refusal. Except for the international design applications under the Geneva Act of the Hague Agreement. [KIPO] First action refers to issuance of the official documents such as a decision to grant or a notification of reasons for refusal by examiners. [USPTO] Average time from the filing of an application to the dispatch of a first office action by an examiner (substantive examination).						
Average Time for Accelerated Examination	N/A	0.0 w. days	(1) 2.1 months (2) 0.8 months	2.3	1.7 months	Each office fills in their own way of how they count the "average time for Accelerated Examination" in "Note".	
Note	[EUIPO] It is called "Fast Track" examination. Conditions: applications filed online, Eurolocarno database is used, all attachments are included online, paid via the current account with EUIPO or via credit card, representative is already registered. Apart from that, the file should not encounter any deficiencies during the examination process. First Action is thus considered to be the registration of the design. [JPO] Average time from the request for accelerated examination to the dispatch of a first office action by an examiner(substantive examination). (1) is the average of all the accelerated examination cases. (2) is the average of the counterfeiters related cases (special treatment). [USPTO] Average time from the Request for Expedited Examination of an application to the dispatch of a first office action by an examiner (substantive examination).

Time for grant / registration / issuance						
	CNIPA	EUIPO	JPO	KIPO	USPTO	Definition
Average time	5.8 months	3.9 w. days	6.8 months	5.9m	21.6 months	Each office proposes their own way of how they count the "average time" in "Note"
Note	[CNIPA] Average time from the payment of filing fee of the design application to the direct decision of grant. [EUIPO] Time from payment of the design application until it is registered in the system. [JPO] Average time from the filing of an application to the dispatch of a decision to grant. Except for the international design applications under the Geneva Act of the Hague Agreement. [KIPO] Average time from the filing of an application to the final decision to grant or refuse the application. [USPTO] Average time from the filing of an application to the dispatch of a final disposition by an examiner (substantive examination).
